## EXPERIENCE

As a Fresher IT student deeply passionate about technology, I am eager to hone my skills in web design and front-end programming also for Big-data Engineer role. Proficient in HTML, CSS, JavaScript, and with foundational knowledge in ReactJs, I am enthusiastic about leveraging these tools to contribute to innovative and userfriendly web projects.

Currently seeking an internship or entry-level position as a FrontEnd Developer and Data-Engineer I am committed to gaining practical experience, enhancing my skill set, and making meaningful contributions to a dynamic team.
